Recent NTBS Productions

PERFORM

in Full Length Ballets - Large Scale Productions

Having our own theatre gives us the opportunity to present large scale, professionally staged productions to a wide audience in a public forum. As part of the 3 year Advanced Diploma of Arts (Classical Dance), students will perform in an extensive repertoire of full length ballets including:

*Giselle ~ La Sylphide ~ Nutcracker ~ Cinderella ~ The Little Mermaid ~ Scheherazade
Carmen ~ Othello ~ Coppelia Act II ~ Swan Lake Act III ~ Don Quixote ~ Le Corsaire ~ Paquita*

Our repertoire is further enhanced by many new contemporary and classical works by **International Choreographers**. We see these productions as an essential element of each student's dance education and ensure that all roles, including principal roles, are performed by our full-time students who receive individual coaching from Beverly Jane Fry. In addition, the National Theatre Ballet often takes its performances to a number of regional centres in Australia.
